

INTERNATIONAL  
FENG SHUI SCHOOL

## IN-PERSON FENG SHUI TRAINING OUTLINE

Join us for 6 days going deep into the knowledge of Feng Shui. On completion of the training you will have a level of confidence to go out in the world and help improve people's lives while earning a fantastic living. During the training you will get hands on experience working on case studies and practicing space clearing techniques. You will receive a certificate of completion from the International Feng Shui School upon approval of three case studies to be submitted within a year of the training.

**The training includes:** Feng Shui manual, compass, 4 laminated charts and, upon completion of three case studies, becoming a Certified Feng Shui Consultant at a Gold Level standard through the International Feng Shui School.

*\*Accommodation is not included\**

### Why Learn Feng Shui?

While you can certainly use your training to become a professional consultant or simply improve your own life, feng shui also enhances a wide variety of professions:

- Interior or landscape designer
- Architect
- Real estate professional
- Event organizer
- Acupuncturist/TCM practitioner
- Life coach

## ABOUT THE INTERNATIONAL FENG SHUI SCHOOL

The mission of the [International Feng Shui School](#) is to offer support and teachings to help raise the level of consciousness, person by person, and the vibration of the planet, home by home. Students are guided and encouraged to open new pathways of experiencing and understanding Feng Shui as both an intuitive art and a practical science to develop and hone their own innate wisdom. As practitioners infuse their Feng Shui practice with their unique gifts and perspectives, they bring magic and success to their work and to the people with whom they share their wisdom and love. This program is open to all interested in unearthing the teacher within.
